SUBJECT: 2025 IBAT PAC DRIVE

For those of you who have contributed to the IBAT PAC (political action committee) or IBAT FEDPAC in the past, **Thank You** for supporting our industry and our bank! For those of you who have not contributed previously, it is never too late to get involved.

What happens in Austin and Washington DC has a far-reaching impact on your industry, your livelihood and your community and the IBAT staff works tirelessly with key decision-makers to protect community banks.

IBAT has designated March as PAC Drive month and I am asking you to involve yourself in the process by personally supporting this critical cause. There is strength in numbers and to continue supporting smart candidates who advocate for our industry, we need your help!

I am personally writing a check for \$_____ and I am asking each director and officer to consider a contribution of at least \$50, and each employee to consider giving \$10. **This contribution helps our bank and helps support our livelihood...community banking is what we do!**

Having worked with IBAT for several years, I can tell you whole- heartedly the money you send for support of our industry is in very good hands. They do a terrific job representing community banking.

Should you decide to contribute, please send your **personal check** to 6500 River Place, Bldg 4, Ste 101, Austin, TX 78730 or for donations of \$50 or more you can donate [online](#) at IBAT.org. I would be very proud to have 100% participation from our board of directors, officers and staff. Thank you for considering a PAC donation and for your dedication to community banking.
